As per the Tamil Nadu Act No.3 of 2007, dt 5.3.2007 and G.O (Ms) No.77/HE (J2) Dept.dt.05.04.2007, the marks obtained by the students in the relevant subjects in the qualifying examination conducted by various Boards or Authority shall be equated with the marks obtained by the students in the same subjects in the qualifying examination conducted by the State Board by adopting the method of normalization.

Explanation:- Under the method of normalization the highest mark obtained by the students of various Boards in each subject will be equated to the highest mark obtained by the students of State Board in that subject and the relative marks obtained by other students in that subject will be determined accordingly.

### **Illustration:-**

- i. If the highest marks secured by the student of State Board in Physics is 100 and the highest mark secured by a student of any other Board in the same subject is 90, both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, then 60 marks will be considered to be equal to 66.66 marks as arrived at below:-

$$\frac{100 \times 60}{90} = 66.66\%$$

- ii. After normalization of marks in the relevant subjects in the qualifying examination conducted by different Boards, the qualified students of different Boards will be merged into a common merit list.

In case of candidates who have qualified from National Boards such as CBSE and ISCE, the highest marks obtained by the candidates at the National Level alone will be taken into consideration for normalization.
